2. Purpose

To document the requirements for the manufacture of 'CON' poles and to provide a reference for Pole Fabricators.

These poles are based upon the designs specified in BT pole drawings CN206 and CN351.

Although these CON poles are based on the above drawings, individual customers request specific variations.

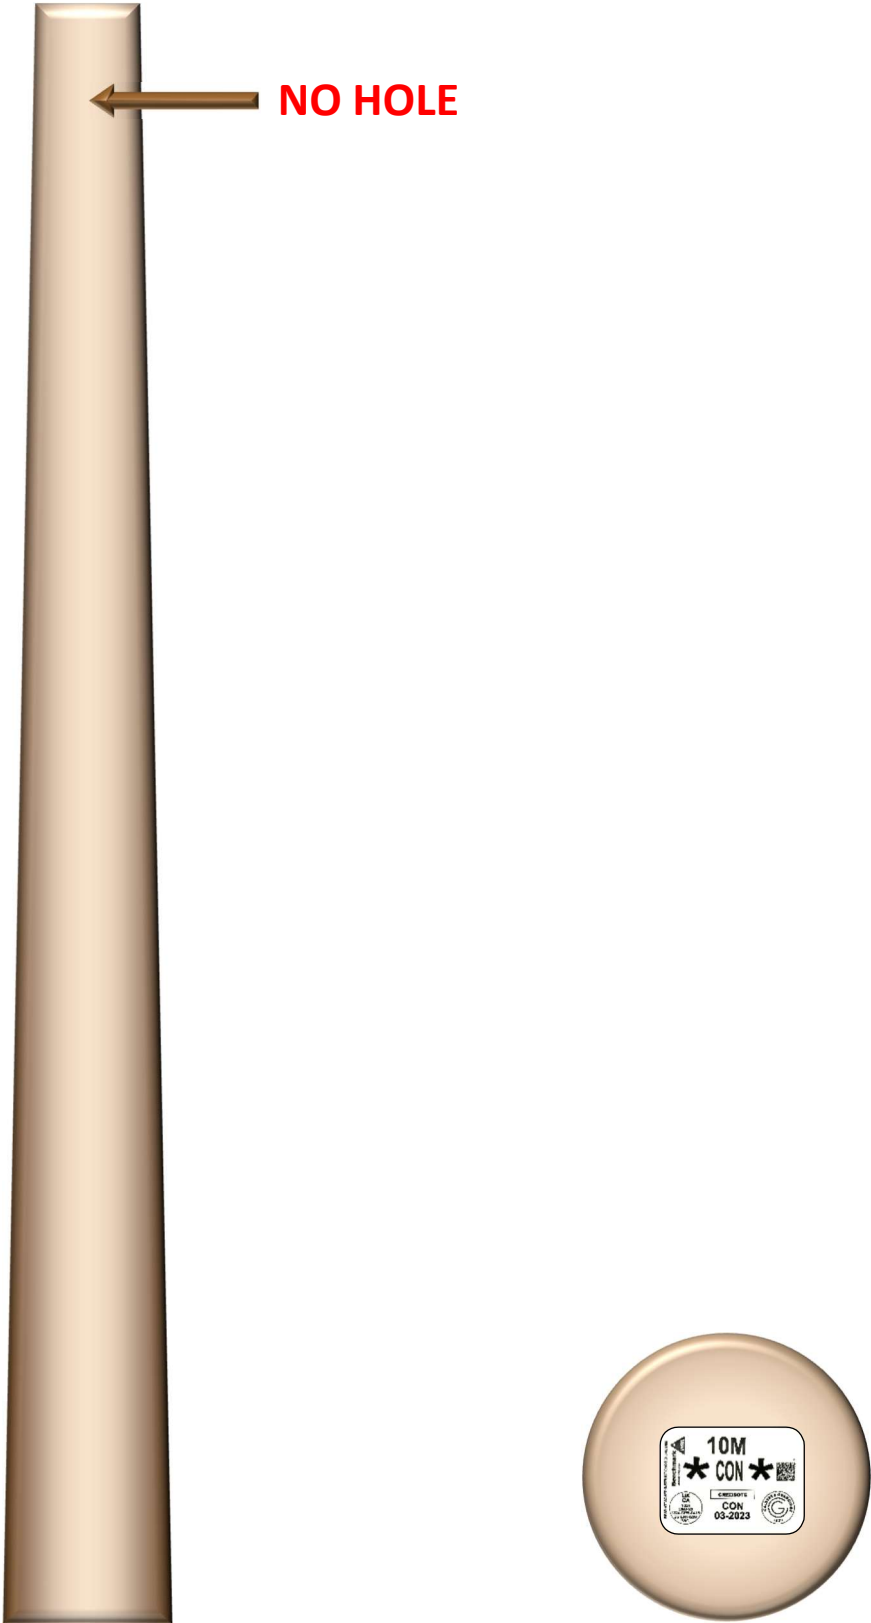

Please note that the graphics in this document are provided for illustration purposes and are not intended to be construed as designs. The designs are contained in the two BT drawings and the graphics capture the areas in which individual customers have requested variations or additions to those designs.

The dimensions and spacing of the letters are as specified in Module 5.

Note: 'CF' & 'CFS' poles are now 'CityFibre' poles and must be fabricated to the relevant CityFibre Drawing and marked as detailed in Module 5 (Pole Marking).

3.1
Standard Con Pole

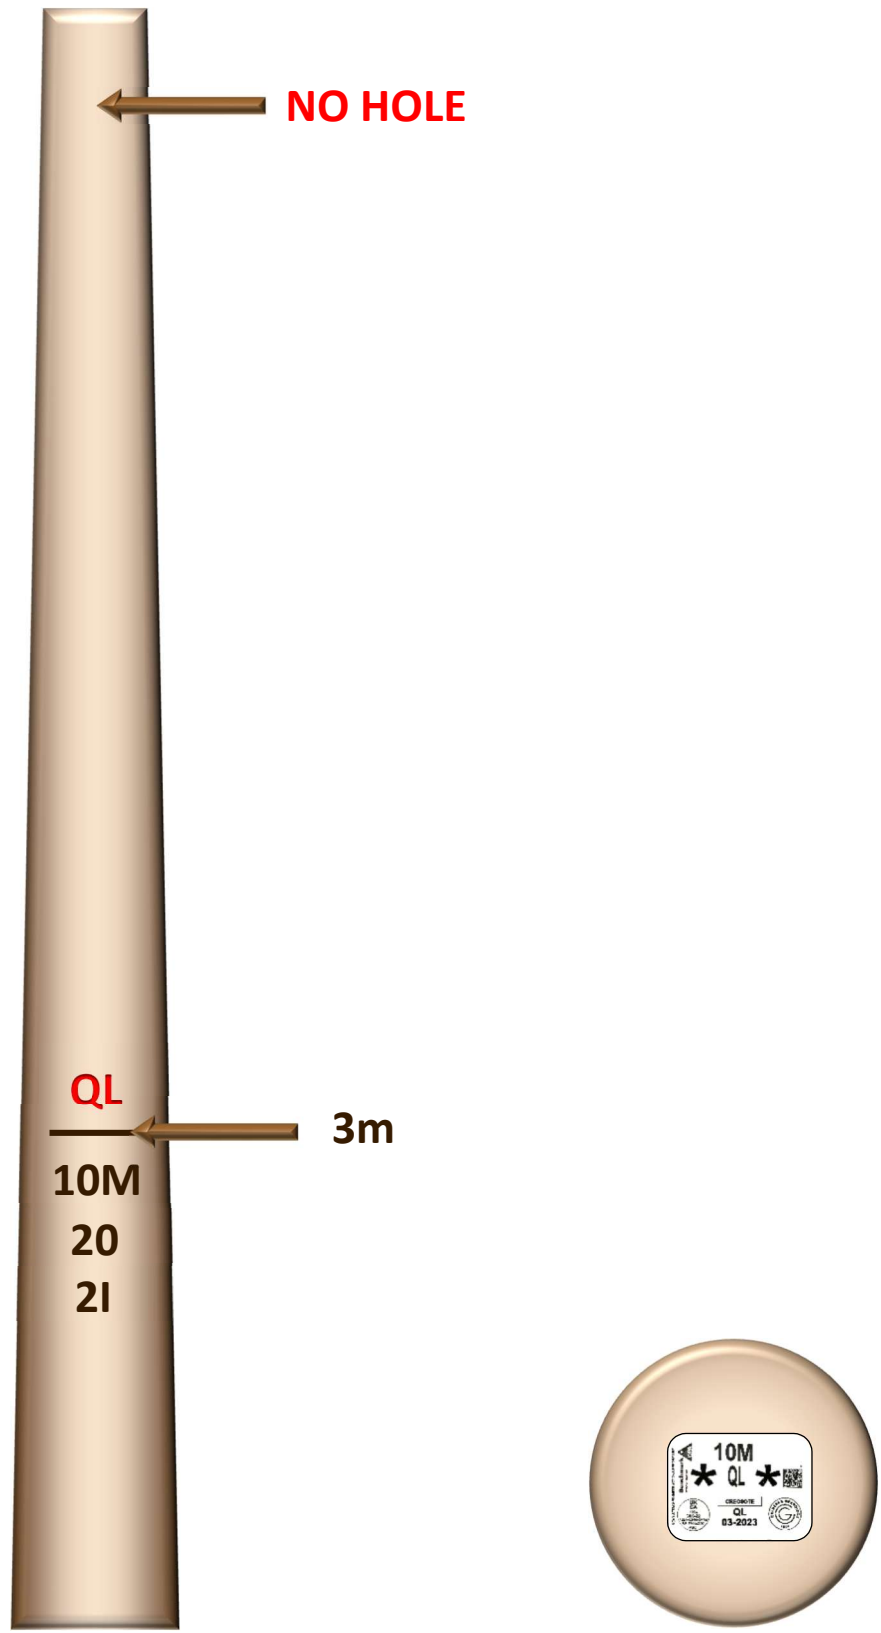

Ref no:	QTG119	Calders & Grandidge	
Compiled By: D. Losty	Quality Training Guide Manufacture of Contractor Poles	Revision 10	
Effective Date: May 2020		Revision Date: Sep 2026	

3.2 'B' Grade Con Pole

Ref no:	QTG119	Calders & Grandidge	
Compiled By: D. Losty	Quality Training Guide Manufacture of Contractor Poles		Revision 10
Effective Date: May 2020			Revision Date: Sep 2026

3.3 QL Poles

Ref no:	QTG119	Calders & Grandidge	
Compiled By: D. Losty	Quality Training Guide Manufacture of Contractor Poles	Revision 10	
Effective Date: May 2020		Revision Date: Sep 2026	

3.4 CBL Poles

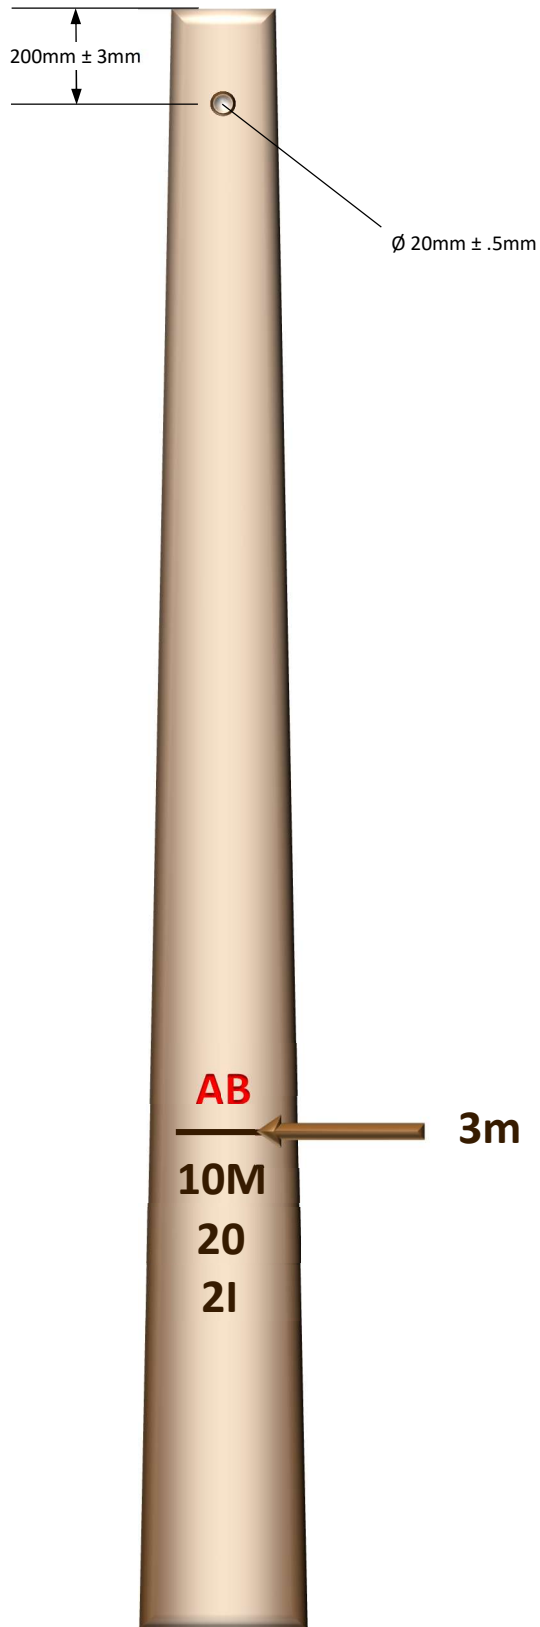

Pole to be fabricated to BT specification LN 435M, with the exception of the pole marking, which must be as detailed in this document.

Ref no:	QTG119	Calders & Grandidge	
Compiled By: D. Losty	Quality Training Guide Manufacture of Contractor Poles	Revision 10	
Effective Date: May 2020		Revision Date: Sep 2026	

3.5 Airband Poles

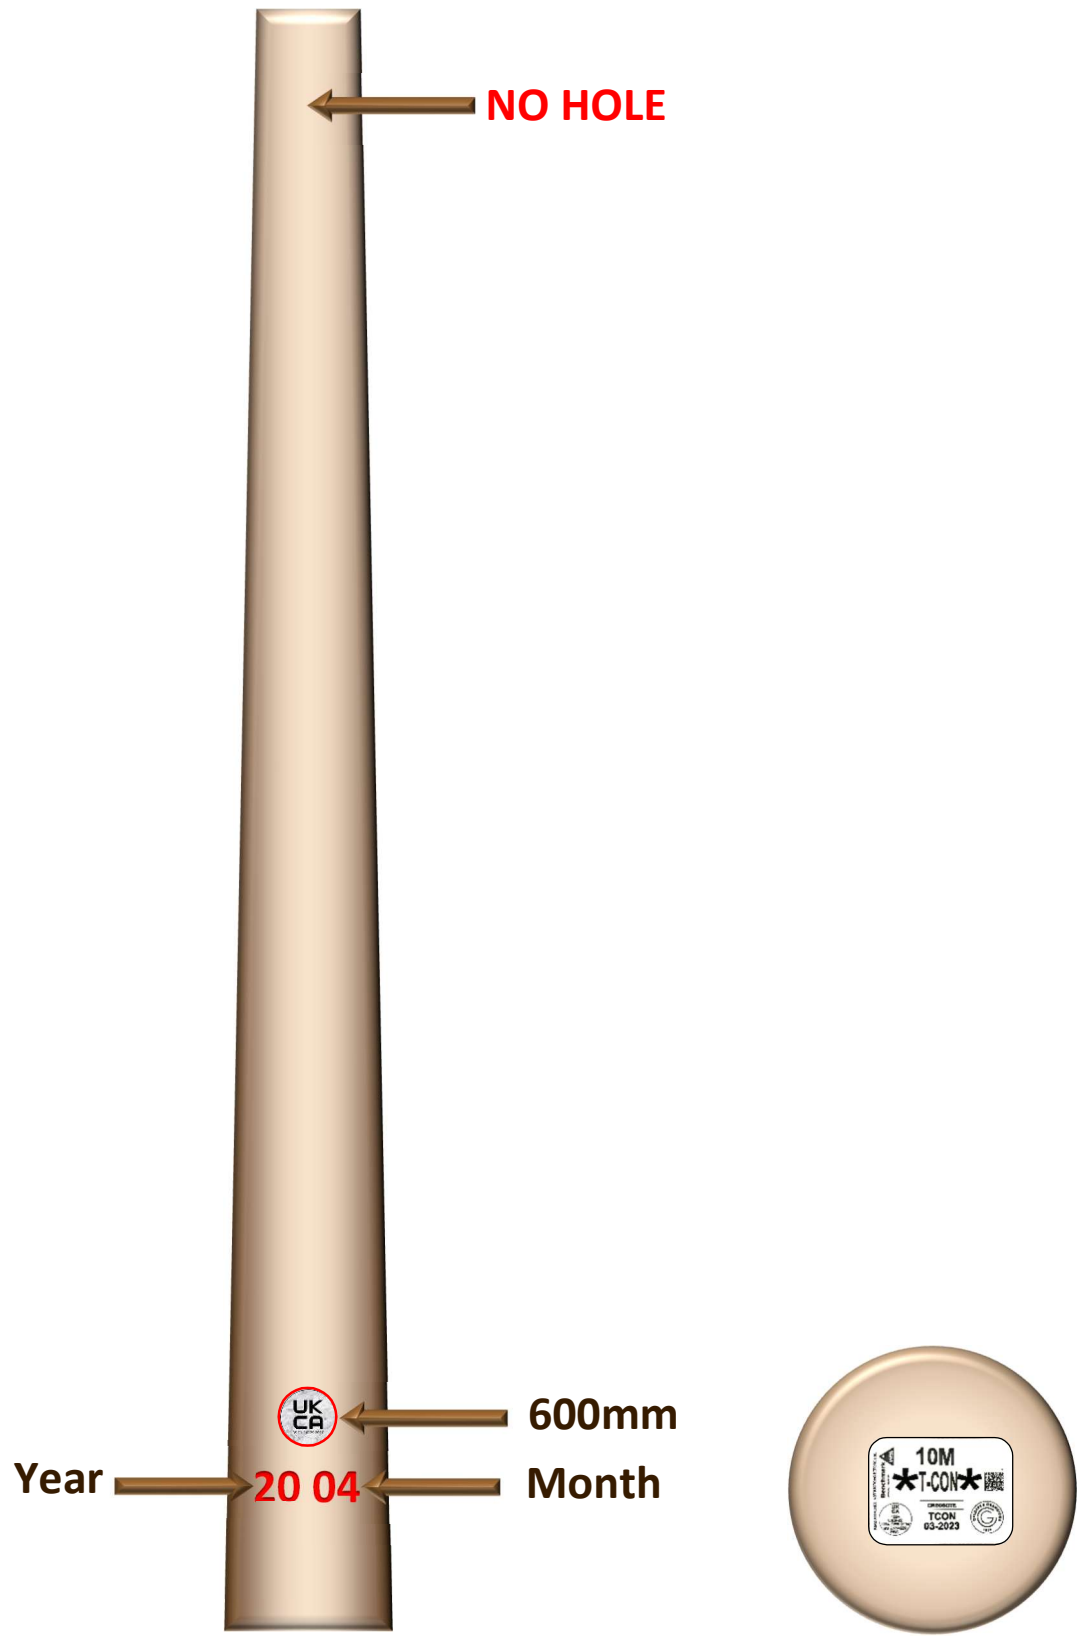

Pole to be fabricated to BT specification LN 435M, with the exception of the pole marking, which must be as detailed in this document.

Ref no:	QTG119	Calders & Grandidge	
Compiled By: D. Losty	Quality Training Guide Manufacture of Contractor Poles	Revision 10	
Effective Date: May 2020		Revision Date: Sep 2026	

3.6 T-CON Poles

Ref no:	QTG119	Calders & Grandidge	
Compiled By: D. Losty	Quality Training Guide Manufacture of Contractor Poles		Revision 10
Effective Date: May 2020			Revision Date: Sep 2026

3.7 INTERNEXUS Poles

Pole to be fabricated to BT specification LN 435M, with the exception of the pole marking, which must be as detailed in this document.

Ref no:	QTG119	Calders & Grandidge	
Compiled By: D. Losty	Quality Training Guide Manufacture of Contractor Poles	Revision 10	
Effective Date: May 2020		Revision Date: Sep 2026	

3.8 KCOM Poles

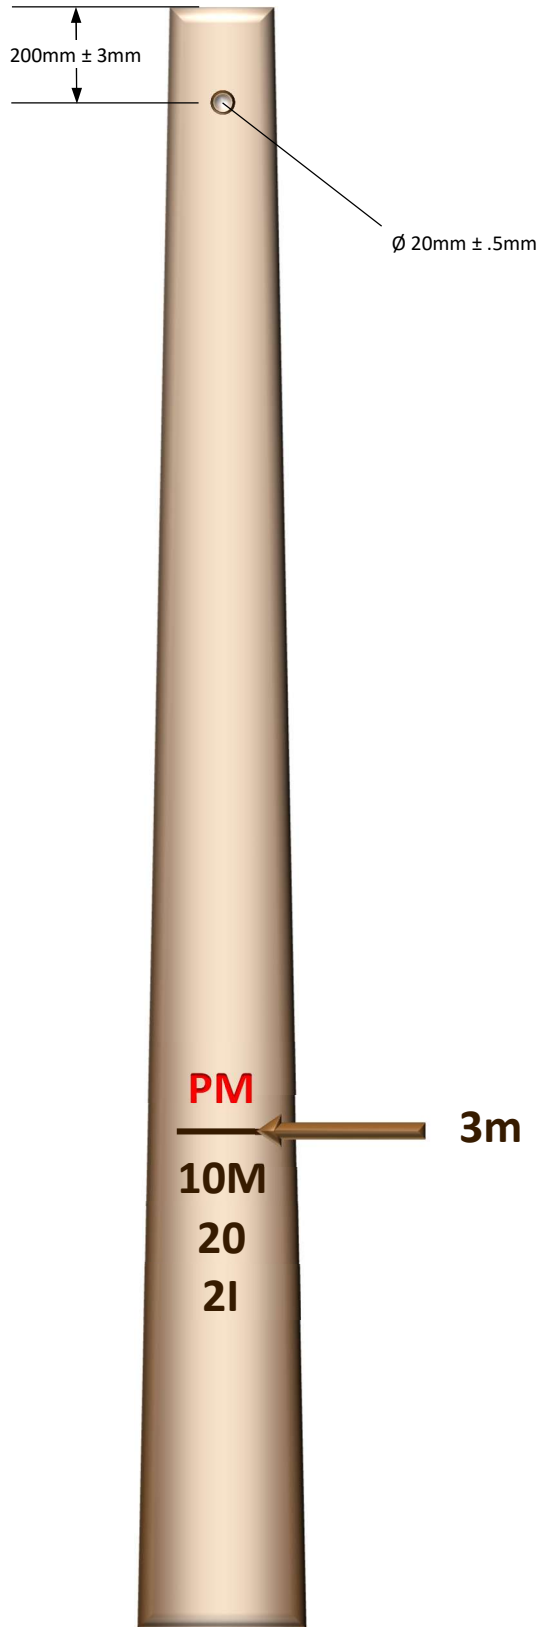

Pole to be fabricated to BT specification LN 435M, with the exception of the pole marking, which must be as detailed in this document.

Ref no:	QTG119	Calders & Grandidge	
Compiled By: D. Losty	Quality Training Guide Manufacture of Contractor Poles		Revision 10
Effective Date: May 2020			Revision Date: Sep 2026

3.9 Pine Media (PM) Poles

Pole to be fabricated to BT specification LN 435M, with the exception of the pole marking, which must be as detailed in this document.

Ref no:	QTG119	Calders & Grandidge	
Compiled By: D. Losty	Quality Training Guide Manufacture of Contractor Poles	Revision 10	
Effective Date: May 2020		Revision Date: Sep 2026	

3.10 NO Poles

Pole to be fabricated to BT specification LN 435M, with the exception of the pole marking, which must be as detailed in this document.

Ref no:	QTG119	Calders & Grandidge	
Compiled By: D. Losty	Quality Training Guide Manufacture of Contractor Poles		Revision 10
Effective Date: May 2020			Revision Date: Sep 2026

3.11 VF Poles

Pole to be fabricated to BT specification LN 435M, with the exception of the pole marking, which must be as detailed in this document.

Ref no:	QTG119	Calders & Grandidge	
Compiled By: D. Losty	Quality Training Guide Manufacture of Contractor Poles		Revision 10
Effective Date: May 2020			Revision Date: Sep 2026

3.12 BL Poles

Pole to be inspected & fabricated to BT specification LN 435M, with the exception of the pole marking, which must be as detailed in this document.

Ref no:	QTG119	Calders & Grandidge	
Compiled By: D. Losty	Quality Training Guide Manufacture of Contractor Poles		Revision 10
Effective Date: May 2020			Revision Date: Sep 2026

3.13 BWP Poles

Pole to be inspected & fabricated to BT specification LN 435M, with the exception of the pole marking, which must be as detailed in this document.
