

OHL Terminal Pole Utilising Crucifix Termination

NB*The Drawing is based on a 13m Pole, The cable ladder length will increase by 1m longer as the pole length increases by 1m

Fabricate the tips and butts to 1.09.123.1173 Sheet 5 JH Modified 08.06.18.
DO NOT fabricate the long scarf shown in 'Detail B' at 3500mm down and ignore 'Dimension X' on 1.09.123.1173 sheet 5 JH modified 08.06.18.

Ignore the 2.4m and 4.965m dimensions up from the butt on this drawing as they're not relevant to the fabrication.

This measurement should be taken from the hole shown at 350mm on 1.09.123.1173 sheet 5 JH modified 08.06.18
